Four Little Stars

Four little stars
winking at me.
One shot off,
then there were three!

Three little stars
With nothing to do.
One shot off,
Then there were two!

Two little stars
Afraid of the sun.
One shot off,
Then there was one!

One little star
Alone is no fun.
It shot off,
then there was none!

Tune: I'm a Little Teapot

I'm a little rocket, Tall and thin,
Here is my nose cone. Here is my fin.
When I get all fired up, Launch begins.
Watch me rise, And see me spin.

Tune: Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star, I know what you really are
Giant ball of glowing gas, One of billions in a mass
Twinkle, twinkle, little star, Oh, how big you really are
Twinkle, twinkle, giant star, Larger than the Earth by far
Since your distance is a lot, You look like a tiny dot.
Twinkle, twinkle, giant star, Very bright, yet very far
Stars are twinkling, every one, Some are bigger than the sun
Just a twinkle in the sky, Just because you're oh, so high
Twinkle, twinkle, little star, Oh how big you really are.

Tune: Twinkle, Twinkle, Little Star

Rocket, rocket in the sky,
Flying fast and flying high,
Off to find the ISS,
What's in it? Can you guess?
Rocket, rocket in the sky,
Flying fast and flying high.

Tune: There's a hole in my Bucket

Did you ever see a rocket,
a rocket, a rocket?

Did you ever see a rocket
go this way and that?

Go this way and that way,
go this way and that way,

Did you ever see a rocket
go this way and that?
